Up to 80% of spam targetted at Internet users in North America and Europe is generated by a hard-core group of around 200 known professional spam gangs whose names, aliases and operations are documented in Spamhaus' Register Of Known Spam Operations ([ROKSO](#)) database.

This TOP 10 chart of ROKSO-listed spammers is based on those Spamhaus views as the highest threat, the worst of the career spammers causing the most damage on the Internet currently. Spamhaus flags these as a priority for Law Enforcement Agencies.

The world's worst spammers and spam gangs this week are:
